Introduction

Musa Body Machinery (U) Ltd is located along the Katwe By-Pass on MUSA BODY BUILDING. From its establishment on the 19th of February 1956, the company has steadily grown a specialized portfolio including supply of agro-processing machinery, food-processing machinery, small scale business machinery, metal fabrication, generator sales, servicing and maintenance, to mention but a few.

We are a local contractor, with both site and workshop facilities, providing a comprehensive service across a wide range of engineering disciplines.
